*Miracles of South Carolina* is for believers and skeptics alike. In these pages you will find true stories of grace, many told publicly for the first time. From a Providentially inscribed Bible to a lakeside guardian angel to forewarnings, saving voices, and comforting visions, Robbie Boman tells of first-hand experiences of faith, surprise, and the miraculous. Healings of the body and the soul are scattered throughout, as are angels, reassuring messages from loved ones now gone, and more.

All of the stories in *Miracles of South Carolina* are true. Miracles are happening right here in the Palmetto State, and as Robbie Boman has discovered, they are happening to people very much like you.

### Praise for *Miracles of South Carolina*

"*Miracles of South Carolina* is a faith-building book with curative stories that literally gives hope to the body, inspires the mind, warms the heart, and uplifts the soul. Acts 13:15 writes that if you have a 'message of encouragement' for the people, please speak. Boman has captured that essence and has spoken."

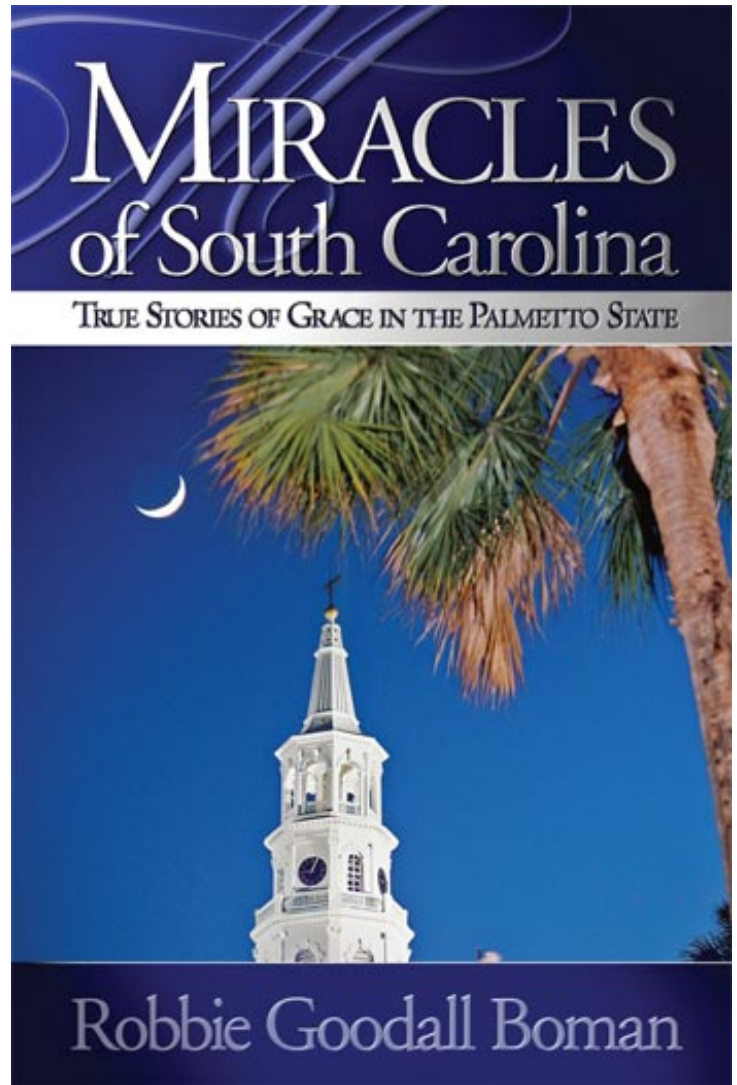

— Rev. Nigel W. D. Mumford, Director of Healing Ministries,  
Christ the King Spiritual Life Center

"A valuable *must-read* for every Christian and every South Carolinian. You won't be able to put down this fascinating account of living miracles in today's world."

— Edna Ellison, Ph.D., [www.ednaellison.com](http://www.ednaellison.com)  
author of *A Month of Miracles: The Unmistakable Presence of God*.

"The stories in *Miracles of South Carolina* reveal the blessing of God's loving and healing presence in today's world. May the reading of these stories become a source of God's encouragement and hope to us all."

— Rev. John Rice, Rector,  
Episcopal Church of the Good Shepherd
